

# 2400 LAKE PARK

## ATTENTION

Construction for 2400 Lake Park will start on October 10th and will end in January 2024. The employee and visitor entrance to the building can only be accessed via Cobb Pkwy during this first phase. The Lake Park Dr. entrance is temporarily shutdown. There will be limited parking spaces near the 2400 Lake Park office building (first come, first serve). There will be spaces designated as short term visitors, handicapped, and reserved only, these spaces will be monitored. An overflow parking lot across Cobb Pkwy will be available between the Rayman Chevrolet dealership and Mavis Tires. A shuttle service to and from the building will operate on weekdays on a continuous loop between 7:00 AM to 6:30 PM.

Please see the map below for reference. The offsite parking and shuttle service is free for employees and visitors. There will be parking and shuttle signage at the shuttle pickup/drop off locations at both the office building and off-site parking.
